MANSHABHASIN52@GMAIL.COM

Graphic designer specialising in branding, typography, and layout design. Focused on creating work that balances aesthetic appeal with functional clarity, turning ideas into visually coherent identities.

Work Experience

2023 - 2025
Freelancer

Admittedly.ai
Created a modern logo and cohesive color palette.

Asmishilp
Developed complete brand identity including logo, typography, and color palette. Designed packaging and promotional posters, and conducted product photography to create a cohesive visual language for the NGO.

Ares Clothing
Assisted in developing the brand identity and created original illustrations for both branding materials and clothing designs

Ika Athletic
Designed the logo and created illustrations for the brand and its clothing line.

Fleur Jewellery
Designed the brand's logo and business cards, creating a refined and elegant visual identity that reflects the brand's modern jewellery aesthetic.
